

Strathmore University

EXCEL AS A BUSINESS INTELLIGENCE TOOL:

Date: 17th - 19th August 2016 Venue: @INSPIRE AFRICA INITIATIVES, BUSIA

Do you or your staff have to work extra hours to meet deadlines?

Do you have to rework the reports generated by your staff to make them more professional/engaging?

Do your Excel reports take a long time to update each month / week?

Are you a middle-level manager who desires to bring out facts from data, show emerging trends and provide on-demand access to business insights for quick decision making?

Learn how to design and create dynamic, interactive Excel dashboards that update with the click of the Refresh button, or with a simple copy-paste of your new data into your spreadsheet.

Facilitation Fee:

Kshs. 66,500/- per participant. This covers the training fee, meals & refreshments for the 3 days, as well as a Strathmore University Certificate

Enjoy 10% Early Bird Discount for payments done before 17th - 19th August 2016
